

Court of Appeals, State of Michigan

ORDER

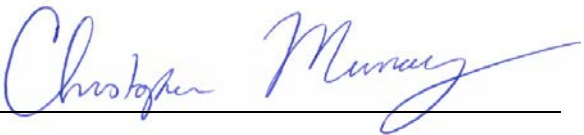

Ashley Elizabeth Rose Jackman v Isaac J Prentice Hukill

Docket No. **356190**

LC No. **19-000855-DC**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction. The January 12, 2021 order denying a motion for reconsideration is not a final order appealable by right. See *Nye v Gable, Nelson, & Murphy*, 169 Mich App 411, 415; 425 NW2d 797 (1988) (“An order denying reconsideration is not a final order from which one may appeal as of right.”). Moreover, to the extent that appellant is attempting to appeal the December 31, 2019 order, an order denying a motion to intervene in a custody action is not a final order appealable by right. MCR 7.203(A); MCR 7.202(6)(a). Dismissal is without prejudice to the filing of a late appeal under MCR 7.205(A)(4), provided that such a filing meets all the requirements under the court rules and is not time-barred.
